ERCs are clearly outlined in the Illustration document. They are usually payable during the initial benefit period of a fixed rate or tracker product, when a customer redeems, partially redeems or transfers to a new business scheme or exceeds their annual overpayment limit.

### Our commitment to you

Our pledges are dedicated to you, just as they have been for over eight years. We're proud that our pledges have set the benchmark over the years and we're even prouder that, in our opinion, they're still the best. See our four pledges a direct result of your feedback, re-launched even stronger to support you and your clients every day.

You can feel frustrated when a product is suddenly withdrawn but, with our product updates, that's something you'll never have to worry about. We'll give you 48 hours' notice of product withdrawals by email, before we make any changes.

You can view our daily service levels online (based on a working week, Monday to Friday 9am-6pm) including our average offer turnaround (where no applications are excluded), AIP referral, document processing, call-waiting and valuation instruction times.

We respect that your customers are your customers – not ours. We won't cross-sell insurance to your clients. At maturity, we'll simply direct them back to where their journey with us began – and that's you.

We don't think it's fair to offer direct customers preferential treatment. So we'll give your clients, whether new or existing, the same products at the same rates and with the same service as our direct customers. And your clients have the same access to our new business products as our direct customers do.

# Your support teams

Our UK based Intermediary Support team is here to help you throughout the mortgage application process and we aim to answer your call in under 30 seconds. We also recognise the value a Business Development Manager can add to your business. That's why we give all brokers 2 BDMs – one in the field and one on the phone.

Calls to 0800 numbers are free when made from the UK. You may be charged for calls to all other numbers, please contact your service provider for further details. We may monitor, record, store and use telephone calls to help improve our service and as a record of our conversation.
