

Easy Access ISA (12) At a glance

The Financial Conduct Authority is a financial services regulator. It requires us, Coventry Building Society, to give you this important information to help you decide whether our Easy Access ISA (12) is right for you. You should read this document carefully so that you understand what you're buying, and then keep it safe for future reference.

Easy Access ISA (12)

Do you want a tax-free rate of interest and easy access to your money? We've designed this flexible cash ISA for your tax-free savings allowance for this tax year and future tax years and, if you wish, you can transfer in any previous years' ISA savings. You can choose to have a statement or a passbook to record transactions.

We calculate the interest daily and pay it annually, on the anniversary of the date you opened the account, or monthly, at the end of the last day of each month. Interest can be added to the account or paid into another suitable account.

Can Coventry Building Society change the interest rate?

The interest rate is **variable**, so it can go up or down at any time.

For more details about why we may change the rate, as well as how and when we'll let you know, see our Saving Accounts Terms and Conditions booklet (section 4).

What would the estimated balance be after 12 months based on a £1,000 deposit?

£1,026.50

This would be the balance after 12 months if $\pm 1,000$ was paid in, all interest was paid back into the account annually, there was no change to the interest rate and no money was taken out or paid in.

This illustration is just an example to help you compare accounts. It does not take into account any individual circumstances.

Additional information

Interest on ISAs is paid tax-free, that is without tax deducted. ISAs are a savings scheme initiated by the Government and are subject to change by them. For example the favourable tax treatment may not be maintained.

*AER stands for Annual Equivalent Rate and illustrates what the interest rate would be if interest was paid and added each year.

For full details, please see the Specific Terms for Easy Access ISA (12) and our Saving Accounts Terms and Conditions.

A flexible ISA

This ISA is flexible so you can take money out and put it back in later, without it counting any further towards your annual ISA allowance, as long as you pay the money back in before the end of the same tax year. If you've created a flexible ISA allowance on another ISA, you can't transfer this allowance to Easy Access ISA (12). For more details about how flexible ISAs work, ask us or visit **www.coventrybuildingsociety.co.uk/isa-guide**

How to keep track of your account

If you choose not to have a passbook, we'll issue you with a statement within a month of any money leaving your account. But don't worry, we'll never send you more than one statement a month.

If you choose to have a passbook and keep it updated, this will be your record of all transactions instead of a statement. If your passbook isn't updated, we'll issue you with a statement within a month of any money leaving your account.

You can receive your statements by post. Or, if you use Online Services, you can go paperless and we'll send you reminders to view your statements.

If you change your mind

You have a 14-day cancellation period after you make your first payment into an Easy Access ISA (12). Day 1 starts from the day you make your first payment into the account, so if you did this on the first day of the month, your cancellation period would finish on the 15th day of the month. If you wish, you may change your mind and close the ISA within 14 days and it will be treated as if you never had the ISA so you'd still be able to pay some/ all of your annual ISA allowance into another cash ISA in this tax year.

To do this, log into Online Services, ask us at any branch, call us on **0800 121 8899** or write to us at: Oakfield House, PO Box 600, Binley, Coventry CV3 9YR.
