This leaflet contains information about Loyalty Regular Saver (3) to help you compare it with other accounts and decide whether it's right for you. Please read this carefully and then keep it safe for future reference.

## Loyalty Regular Saver (3)

Our Loyalty Regular Saver (3), has been designed to be our special way of saying thank you to our loyal members who have been with us since 1 January 2025 or before. If eligible your account may automatically be entered into a prize draw for a chance to win a cash prize. Whether you're saving for something special or just for the future, the account lets you put up to £250 aside each month for a year. You can pay in money as often as you like, as long as it doesn't go over the monthly maximum. There's more information in the table below to help you to understand if you're eligible for this loyalty account.

### Summary box

**Account name** Loyalty Regular Saver (3)

**What is the interest rate?**

**Annual interest (variable)**

**Balance**

AER\*/ Gross p.a.

**£0.01 plus**

**5.00%**

This account lasts for 12 months. We calculate the interest daily and pay it annually, on the anniversary of the date you opened the account. Interest can be added to the account or paid away to another suitable account.

**Can Coventry Building Society change the interest rate?**

The interest rate is **variable**, so it can go up or down at any time.

For more details about why we may change the rate, as well as how and when we'll let you know, see our Saving Accounts Terms and Conditions booklet (section 4).

**What would the estimated balance be after 12 months based on a £250 per month deposit?**

**£3,080.89**

This would be the balance after 12 months if £250 was paid in on 1 May and the first of each month from then on; all interest is paid back into the account at the end of 12 months, there was no change to the interest rate and no money was taken out during the year.

This illustration is just an example to help you compare accounts. It does not take into account any individual circumstances.

**How do I open and manage my account?**

To be able to open this account, you'll need to have held or been linked to a savings or mortgage account with Coventry Building Society, ITL Mortgages Limited or Godiva Mortgages Limited continuously since 1 January 2025 or earlier. If opening a joint account both customers will need to be eligible.

If you want to check if you're eligible, get in touch.

**You must provide us with a Named Bank Account.**

- Pop into a branch.

**How to put money into your account**

Each month you can pay in as many times as you like, up to a maximum of £250. If you have a joint account the maximum is still £250. If a payment takes you over the £250 monthly limit, the whole payment will be returned to you. Your deposit month starts on the day you opened the account. For example, if you opened the account on 15 May you'd have from 15 May to 14 June to pay in your first month's allowance. Your second month would start on 15 June.

You can pay in at any time, but for it to count towards that month's allowance it has to arrive before

the day of the month you opened your account. We recommend that you make sure all of the money for the month is paid in a few days before your deposit month resets.

Any money that arrives after this date will be counted towards your next month's allowance.

#### **You can...**

- Set up regular transfers or standing orders from an account with another bank or building society or another account with us
- Pay in cash or cheques in a branch
- Post us a cheque.

### **Can I withdraw money?**

This account is designed for saving your money. After the 14 day 'cooling-off period' (see overleaf), you can take out money or close your account, but there will be a charge equal to 30 calendar days' interest on the amount withdrawn. Notice for withdrawal/closure cannot be given. The charge will be deducted from the balance of the account at the time of the withdrawal.

#### **How to withdraw**

- Pay money to another Coventry Building Society account online, or call us
- Pay money to another Coventry Building Society account in your name via our app
- Pay money to your Named Bank Account online, via our app, or call us
- If you take money out, you can still only pay in up to £250 per month. For example, if you take out £100, you can only pay in your £250 monthly allowance. You can't replace the £100 as well.

#### **What happens at the end of 12 months?**

At the end of 12 months, on the anniversary of account opening, your account will transfer to an easy access account – an account which allows unlimited withdrawals without charge. The new easy access account will pay a lower rate than Loyalty Regular Saver (3). We'll write to you closer to the time to confirm details of your new account.

You'll be able to keep saving and your account number won't change. You'll also have the option to take some or all of your money out or close your new account. We'll send you a reminder and full details of the options available to you at least 14 days before the account transfers. If you take no action your account will become an easy access account.

## How to keep track of your account

We'll send you a statement within a month of any money leaving your account. But don't worry, we'll never send you more than one statement a month.

You can receive your statements by post. Or, if you use Online Services, you can go paperless and we'll send you reminders to view your statements.

## If you change your mind

You have a 14 day 'cooling-off period' after you open a Loyalty Regular Saver (3) to close your account charge free. Day 1 starts from the day you open your account, so if you opened your account on the first day of the month, your cooling off period would finish on the 15th day of the month.

If you wanted to close the account after this there will be a charge equivalent to 30 days' interest on the amount withdrawn. To close the account, call us on **0800 121 8899** or write to us at: Oakfield House, PO Box 600, Binley, Coventry CV3 9YR.
