

Tariff of mortgage charges

We've been closely involved in the mortgage industry's initiative with UK Finance and Which? to make our fees and charges easy for you to understand.

Our tariff of charges fully reflects the initiative's good practice principles. This same document is being used across the industry to help customers compare mortgages.

When you will pay this charge	Name of charge	What this charge is for	How much is the charge?
Before your first monthly payment These are the fees and charges you may have to pay before we transfer your mortgage funds.	Application fee	Assessing and processing your application (even if your application is unsuccessful or you withdraw it).	£0 (£199 - £250 for porting cases)
	Funds transfer fee	Electronically transferring the mortgage funds to you or your solicitor.	£8
	Legal fee	You will normally instruct a solicitor to act on your behalf in connection with your home purchase transaction. You may be required to pay their legal fees and costs as part of their work on your behalf. These fees/costs are normally charged by the solicitor, directly to you unless we tell you that we will contribute to the legal costs as part of your product deal.	This may vary. Please refer to your mortgage illustration for our estimate. Please contact your solicitor for fee details
	Product fee	This is charged on some mortgages as part of the deal. It can be paid up-front or added to the total mortgage amount. If you add it to your mortgage, you'll pay interest on it at the same rate as the rest of your borrowing. It might be a flat fee, or a percentage of the loan amount.	This may vary. Please refer to your mortgage illustration
	Valuation fee	The lender's valuation report, which is used to calculate how much it will lend you. This is separate from any valuation or survey of the property you might want to commission. Some mortgages offer free valuations – the product details for your mortgage will tell you if this is the case.	This is included for properties up to £1,000,000. Please refer to your mortgage illustration for more information
